VIDEO EDITING

with FINAL CUT PRO

Looking for something fun to do this Fall? How about create your own video!

Post production is where the magic happens. Learn how to use today's premiere video editing software to enhance your digital storytelling skills. Whether you are interested in filmmaking, music videos, or just making videos for fun, this course will teach you how to put it all together in a creative and professional way.

BEGINNER LEVEL

Explore the interface, learn keyboard shortcuts, create and organize projects, add special effects and animate your text to enrich your video content.

T.P. City Residents: \$75 / NR: \$85

- Wednesdays
- 6:00 - 7:00 PM
- September 14 - October 19, 2011
